U.S. Large Cap Growth and Value Equity Investment Manager Services

Notice to Prospective Respondents

Growth and Value strategies will be considered separately. Additionally, only commingled investment vehicles (CIT, LP, LLC, Mutual Fund, etc.) will be considered (no separate accounts). The Retirement Board expects to allocate approximately \$27 Million to each style mandate and may select more than one manager for each style.

The selected investment managers must have familiarity and agree to comply with all applicable laws and PERAC regulations.

The Board reserves the right to cancel or reject in whole or part any or all proposals in the best interest of the Retirement System.
